2.2 Not be a Brazilian citizen, even if binational, nor have a Brazilian parent or parent.
2.3 Do not have a permanent visa in Brazil.
2.4 Have an undergraduate or master's degree.
2.5 Not having started a course in Brazil at the same level of study as intended.
2.6 Do not have previous training at the same level of study as intended.
2.7 Have a Letter of Acceptance from Brazilian HEIs, public or private, that issues a diploma of national validity, in the course of a recommended doctorate or recognized by CAPES, with a concept equal to or greater than 03 (three).
2.8 Have Curriculum Vitae registered and / or updated in the Platform Lattes of CNPq, in Portuguese language.
2.9 Be financially responsible for the passage to and from Brazil for at least 60 days until receipt of the first of the PEC-PG scholarship.
2.10 Have fulfilled the interest of two (2) years, that is, have remained in their country of origin or residence for at least two years after:
2.10.1 Obtain the Brazilian diploma in the case of a candidate who has received scholarship or research from a Brazilian development agency to study in Brazil. Even in the case of former PEC-G scholarship holder.
2.10.2 Obtain the master's degree (professional or academic) in the case of a candidate who has received a scholarship or an agency research development. Even in the case of former PEC-PG scholarship holder of CNPq.
2.11 Prove proficiency in the Portuguese language by means of Certificate of Proficiency in Portuguese for Foreigners - CELPE-Bras.
2.11.1 The list of CELPE-Bras applicator stations in Brazil and abroad is available at hp: //portal.inep.gov.br/postos-applicators
2.12 Be able to initiate activities related to the project immediately after being approved by CAPES.
2.13 You must register with ORCID and must enter your valid registration number in the act of registering on the Capes link. If you are not registered, enter the link https://orcid.org and register on this international platform of resumes.

3. ITEMS FINANCED BY CAPES
3.1 The funds allocated to this Call for Proposals, in the current year, will be charged to the Budget Appropriation appropriated in the CAPES General Budget, foreseen in the CAPES / PEC-PG Program - Action 0487 - "Granting of Scholarships in the Country".
3.2 Expenditure in subsequent years shall be taken into account in the respective budgets, in accordance with applicable law and in availability of CAPES budget.
3.3 The concession limit of up to 100 grants provided for in this announcement may be reviewed, at Capes's discretion, upon proof of availability the budget. These items can be financed under the PG-PEC:
3.4 PhD scholarship with value established in CAPES Ordinance No. 125 of 2018 and in the Joint Ordinance CAPES / CNPq Nº 1, of March 28, 2013. The monthly benefit will be granted by CAPES, for a maximum period of 48 (forty-eight) non-extendable months, beginning of the concession counted in par the first registration in the course and the sending of all the obligatory documents.
3.5 Flight return to the capital of the country of origin or residence of the student, granted by the MRE, for students who complete the doctorate successfully. The ticket will be awarded in a more economical class and segment. Any other costs of connections, baggage or fees will be responsibility of the student.
3.6 Will not be funded in the PG-PG: Medical, dental and pharmaceutical care ca. Students will be able to use the Unified Health System - SUS, in accordance with the

3.7 The payment of transfers and / or accommodation of any nature, including in the form of installation assistance, is not included in the PEC-PG.

3.8 There is no provision for any assistance for dependents or family members of program students.

3.9 Tuition fees or any kind of fee will not be paid to the Brazilian university.

4. SCHEDULE
The life of
Date
Press Release Disclosure
June of the current year.
Submission deadline
Between 01 and 31 August of the current year.
Disclosure of the preliminary result
Until November 15 of the current year.
Dissemination of the final result
Until November 30 of the current year.
Beginning of academic activities
As of February of the year following the announcement of the notice.

5. REGISTRATION
5.1 The registration is made by the interested parties, exclusively at the address: http://inscricao.capes.gov.br/individual, according to the schedule and the notice.

5.2 Entries must comply with the requirements of this notice. The absence or insufficiency of information on any eligibility criteria may result in cancellation of enrollment. The applicant's registration implies knowledge and acceptance of the rules and conditions set forth in this notice, in relation to which it cannot claim ignorance.

5.3 Mandatory documents must be generated in "PDF" format, limited to 5 MB (five megabytes) in size and attached in spaces the online form. It is recommended to avoid the use of images and graphs according to the mentioned limit. Documents that exceed the 5 MB limit will not be received.

5.4 CAPES is not responsible for unspecified registrations as a result of possible technical problems of Information Technology or communication, congestion of communication lines, as well as other factors that data transfer. If the proposal is reme after the time and the deadline for submission is skipped in the schedule of this notice, by postal, fax or electronic mail, will not be accepted.

5.5 The absence or inadequacy of any document enumerated in sub-item 5.8 will imply in the rejection of the candidate's registration.

5.6 Entries must comply with all the following requirements. Non-attendance will result in cancellation of the proposal.

5.7 The applicant's registration implies the knowledge and acceptance of the rules and conditions established in the invitation to bid, in relation to which he cannot claim unfamiliarity.

5.8. Documents required for the submission of the application:
5.8.1 Diplomas:
Graduation, proof of completion or proof of medical residency (in the case of medical applicant), front and back, in Portuguese, English or Spanish. Master's degree or coordinator's statement of the master's degree presenting the probable date of defense of
the dissertation, front and back, in Portuguese, English or Spanish. In the case of a master, it is essential to present the two (2) diplomas mentioned above.

5.8.2 School history or equivalent document that contains the complete mentions / notes of the graduation and the master's degree, in Portuguese language, English or Spanish.

5.8.3 Proof of proficiency in the CELPE-Bras exam, by means of at least one of the following documents:

Certificate of Proficiency in Portuguese forForeigners - CELPE-Bras, awarded to foreigners with satisfactory performance standardized test of Portuguese, developed by the Ministry of Education (MEC) and applied by the National Insti-Educational Research Anísio Teixeira - INEP, in Brazil and in other countries, with the support of the MRE.

Copy of the page of the Official Gazette of the Union, stating the name of the candidate and his level of approval in the CELPE-Bras exam, with due identification. Result of the CELPE-Bras exam issued electronically by INEP. Exceptionally in this call, as a result of INEP's agenda regarding the application of the exam, candidates may present Certificate of Proficiency in Portuguese for Foreigners - CELPE-Bras, by the proof of enrollment and payment in the exam CELPE-BRAS. The selected scholarship recipients will have the grant of the scholarship conditional upon sending the Certified Language Proficiency For Foreigners - CELPE-Bras. No other documents will be accepted as proof of proficiency.

Candidates from Portuguese-speaking countries will not need to present the CELPE-Bras exam. These candidates must submit a Statement of the advisor (Annex IX) attesting to the candidate's Portuguese proficiency. Sole Paragraph: Those who attend undergraduate and / or master's degree in Brazil do not need to prove proficiency in the Portuguese language.

5.8.4 Letter of Acceptance (Annex VII) of only one (1) Brazilian Post-Graduate Program, public or private, in the course of a DOCTORAL recognized by CAPES with concept equal or superior to 03 (three) and constant of the available relation in the page of the web

hc: //www.capes.gov.br/commissions , containing the logo of the institution, signature and stamp of the legal representative of the Department or the IES, indication of the postgraduate program, area of interest, research line, topic that will be the subject of your dissertation or thesis, the name of the advisor, information that the student and CAPES are exempt from the payment of tuition and fees of any nature and confirmation that the student will not be required to revalidate any foreign diploma after its approval in the selected process. PEC-PG. This Letter of Acceptance must follow the model of Annex VII and be acquired directly by the candidate before enrollment in the Program, in direct contact with the IES. The Letter of Acceptance indicates only that the candidate is apt to be academically develop their studies in Brazil and does not guarantee automatic right to scholarship. Sole paragraph: The candidate who presents 2 (two) or more letters of acceptance of the same HEI or HEI will have his candidacy rejected.

5.8.5 2 (two) letters of recommendation from teachers, researchers or persons of recognized competence in the area of study of the candidate (Annex III), duly written in Portuguese, English or Spanish (this document must be dated after the launching of the Notice).

5.8.6 Curriculum La es in PDF format: It is essential to send the Curriculum La es, containing the following information: academic production, personal data and professional performance, including the current employment relationship in the country
of origin or residence. Detailed instructions on how to register the La Resume are available at the address [hp: // la.es.cnpq.br/).

5.8.7 Research Project, in Portuguese language (Annex II), approved by the future advisor or coordinator of the doctoral course (signed with date after the launch of the call), including the following items:

- Introduction
- General and specific objectives
- Just is going to the choice of theme,
- Characterization of the problem to be researched,
- Method of data collection and analysis
- Expected results

Indication of the importance of this study for the development of the specific area in the country of origin of the candidate.

5.8.8 Identification document of the candidate with photo.

5.8.9 Documents of the parents: Birth certificate or identity document.

5.8.10 Statement of employment by the body / institution in which he / she works, as the case may be, in Portuguese, English or (this document must be dated after the announcement / call).

5.8.11 Proof of compliance with the terms of reference for candidates included in items 2.10.1 and 2.10.2. This document may be a statement of the employer, of the related IES, attesting the completion of at least two (02) years between the graduation / master's degree and the beginning of the doctorate, in Portuguese, English or Spanish.

5.9 Documents translated into any of the accepted languages: Portuguese (preferably), English or Spanish must be copies of the original document (there is no need to be a sworn translation).

6. SELECTION

6.1 The selection will be carried out in four stages: Technical analysis-verification of documentary consistency, analysis of merit, prioritization of applications and final decision. All the stages have an eliminatory character, the last two of which are also classificatory, as described in follow:

6.2 Technical analysis - verification of documentary consistency

6.2.1. It consists of the exam by CAPES technical team:

- From the complete and correct electronic form filling.
- The appropriateness of the documentation submitted for registration.
- Compliance with technical requirements for application.

6.2.2 Incomplete submissions, unduly sent or outside the established deadlines will be rejected.

6.2.3 As soon as this stage is completed, the result will be communicated to the candidates, together with a possible rejection.

6.2.4 Following the communication of the rejection in the technical analysis-verification of documentary consistency, the candidate will have up to 48 and eight) hours from the date of disclosure of the result of this step to file a request for reconsideration with CAPES.

6.2.5 This request should strictly counter the nature of the rejection, not including new facts or documents that have not been object analysis.

6.2.6 The request for reconsideration shall be forwarded to CAPES, by means of signed and digitalized correspondence, by the Direct, or other means indicated by CAPES.

6.3 Analysis of Merit
6.3.1 The *ad hoc* consultants, indicated by CAPES, will evaluate the applications considering priority:

Compliance with the requirements of academic and professional merit.
Coherence of the research project: jussives, objectives, methodology and proposed propositions and the respective impact of their execution, as well as and of future contributions of the candidate in the area of activity.

6.3.2 All the candidates analyzed in this step will be submitted to the Prioritization step (assignment of grade from 0 to 4), even those with rejection opinions, in order to ensure that all applications are analyzed individually and in the same way.

**6.4 Prioritization of applications**

6.4.1 *Ad hoc* consultants appointed by the International Relations Office of the CAPES will evaluate the applications based on the opinions emitted in the merit analysis and will prioritize and classify those previously analyzed.

6.4.2 In the case of applications that receive a majority of rejection opinions at the stage of merit analysis, the prioritization analysis objection may ratify these opinions or, in case of divergence, carry out the prioritization analysis as described in the following terms. 6.4.3 The prioritization consists of a comparative analysis of the applications among themselves, with the aim of identifying the ones with the highest scientific merit and academic programs that best meet the priorities of the program in question, policy in education, science, technology and innovation, as well as the Brazilian foreign policy, resulting in the attribution of notes to the applications, according to the table below:

**6.4.3.1 Table 3: Priority notes table of proposals:**

<table>
<thead>
<tr>
<th>Note</th>
<th>Qualification</th>
</tr>
</thead>
<tbody>
<tr>
<td>4</td>
<td>Great</td>
</tr>
<tr>
<td>3</td>
<td>Very good</td>
</tr>
<tr>
<td>2</td>
<td>Good</td>
</tr>
<tr>
<td>1</td>
<td>Regular</td>
</tr>
<tr>
<td>0</td>
<td>Insufficient</td>
</tr>
</tbody>
</table>

6.4.4 Only applications that receive grade 4 in prioritization may be approved.

6.4.5 The classification consists of listing all the candidates in an ordinal classification list.

6.4.6 This step will result in a list that will demonstrate the marks awarded and the ranking position of each candidate.

6.4.7 Breakout criterion - in the event of a tie, the candidate from the country of origin with the least development will have priority, according to the Human Development Index (HDI).

6.4.8 Once this stage is completed, the individual result will be reported to the rejected candidates.

6.4.9 If, for any reason, the content of the opinion with the methods of rejection is not sent to the candidate together with the result, the candidate will have up to 48 (forty-eight) hours, as of the date of disclosure of the result, to request the content of the opinion through the direct line system or by another means indicated by CAPES.

6.4.10 If the content of the opinion is informed together with the dissemination or communication of the result, or if the candidate receives the content of the written request, the candidate shall have 48 (forty-eight) hours, from the date of sending the contents of the opinion, to file a request to CAPES.

6.4.11 The request for appeal must strictly oppose the ground of refusal and it is not permissible to include new facts or documents which have not been subject to previous analysis.
6.4.12 The request for appeal shall be forwarded to CAPES by means of signed and digitalized correspondence by the Linea Directa system, or other means indicated by CAPES.
6.4.13 The result on the appeal shall be final, and no other administrative appeal shall apply.
6.5 The final approval of the application as well as the implementation and payment of the benefits related to the scholarship are subject to CAPES budget and financial availability.

7. RESULT OF THE SELECTION
7.1. The candidates’ approval will be CAPES, according to the budget and financial availability, observing the result of the technical evaluation and of merit.
7.2. The result of the selection will be announced in the Official Gazette of the Union, on the CAPES website, and through electronic correspondence sent to the applicant requesting the confirmation of interest and the documents that will be necessary for the award of the scholarship.
7.3. The scholarship will not be awarded if there is no confirmation of interest within the deadline established in the communications sent by CAPES disclosure of the result.
7.4. Failure to confirm the interest will be considered as a withdrawal from the application.

8. RESULT OF THE JUDGMENT
8.1. The list of registrations approved in the scope of this Notice will be disclosed on the CAPES website, http://www.capes.gov.br/cooperacao-internacional/mundialional/pec-pg within the deadline indicated in item 4 of this Notice, in addition to being published in the Official Gazette of the Union.
8.2. This public notice may be revoked for reasons of public interest, arising from a supervening fact, on a reasoned decision, as the current legislation.

9. ADMINISTRATIVE RESOURCES
9.1. Tenderers who see their rejected proposals may file an administrative appeal about the outcome of the final decision.
9.2. If, for any reason, the content of the opinion with the methods of rejection is not sent to the tenderer together with the disclosure of the result, the The tenderer will have 48 (forty-eight) hours, as of the date of disclosure of the result, to request the content of the opinion through the Line Direct or by other means indicated by CAPES.
9.3. If the content of the opinion is informed together with the disclosure or communication of the result, or if the tenderer receives the content of the opinion after a written request, the proposer shall have 48 (forty eight) hours, from the date of sending the contents of the opinion, to appeal to the CAPES.
9.4. The appeal must strictly oppose the ground of refusal and shall not be permitted to include new facts or documents which previous analysis.
9.5. The resource must be presented by means of a letter of request signed, scanned and sent through the Direct Line System or by another indicated by CAPES.

The implementation of the scholarship is carried out by the approved candidate through the System of Control of Scholarships and Aid - SCBA (https://scba.capes.gov.br/scba/login.seam), which should fill out your data in the system.

Approved candidates have a term of 120 (one hundred and twenty) days, from the date of publication of the Result, to forward the necessary documentation for the implementation of the grant. After this period the concession will be automatically canceled.

Successful candidates who, by force majeure - such as illness, pregnancy or other situations - can not start their activities in the first semester of 2019, they must submit jus substantiated, by agreement of the IES, requesting the postponement necessary, which may not exceed the 2019 financial year.

The selected candidate who fails to enroll, without jus remaining, in the course for which he was selected, will be deemed to be you will not be able to reapply for the PEC-PG.

11. PAYMENT
11.1 The first monthly fee will be paid after proof of definite enrollment in the course to which you applied, after sending the required documentation and implementation carried out by the candidate approved in the Grant and Aid Control System - SCBA.

11.2 The scholarship will be granted for a maximum period of 48 months, from the first enrollment in the IES.
For the application regarding maternity assistance, it is necessary to send to CAPES, through the Pro-Rector's Office or equivalent to the IES, formal and verifiable communication on the occurrence of childbirth, as well as a copy of the birth certificate of the child and copy of the identification document of the mother, requesting, with due jus, the extension of her purse and the extension time required.

The payment to students will be processed monthly, according to the schedule established by CAPES, directly to the student, upon deposit at a bank domicile.

The scholarship payment is linked to the accomplishment of activities in Brazil, and the sandwich-doctorate modality is not allowed resources.

It is forbidden to grant a new grant to those who are in debt of any kind with the funding agencies.

The accumulation of a stock exchange with any national development agencies is prohibited, unless otherwise provided by the superveniente.

The term of the doctoral scholarship grant is up to 48 (forty eight) months, renewed every 6 (six) months, by means of the semester documents below:

Approval of the report of the periods of the period already fulfilled.

Technical advice of the Advisor.

School history of the period.

Presentation of valid temporary visa of po IV.

The student must enroll in the first semester of the year immediately following that in which he / she applied for the PG-PG. O postponement of the beginning of the course can be granted, by means of official IES and submitted to CAPES.

The candidate's presentation for enrollment must comply with the academic calendar of the HEI of des no, being the responsibility of the candidate selected the contact with the Pro-Rector's Office or equivalent body of the IES to confirm the start date of the year le vo.

The scholarship holder may be locked out with automatic suspension of the scholarship for a maximum period of one semester, subject to consent IES, its supervisor and with the authorization of the funding agency. This suspension may be granted only once.

The maintenance of the Temporary Visa IV in force with the competent authorities and its updating with the funding agencies is responsibility of the student, being an indispensable condition for the effective registration, maintenance of the scholarship and, subsequently, for the defense of dissertation / thesis.

The content of the scholarship is conditioned to the student's performance according to the norms and criteria in force in the postgraduate course in which you are enrolled.

After completing a scholarship and returning to his / her country, the student is allowed to keep his / her data updated with CAPES, providing information and academic papers related to the impact of the SGP-PG on its academic / professional development of your country so that it is possible to analyze the impact of the Program.

The student may only leave Brazil for field research in the country of origin or residence, for a maximum period of 12 (twelve) months, whether or not they remain uninterrupted, during the full duration of the grant, provided that it is provided for in the
approved work plan, by sending a schedule of activities detailed and just guards the guideline. The removal must be authorized by the IES Postgraduate Dean, and communicated to CAPES with least 30 days in advance. It is the responsibility of the Postgraduate Dean to inform the scholarship holder of the withdrawal period so that the scholarship holder does not exceed or deadline is skipped.

14.2 The student may participate in scientific events without the suspension of the PEC-PG scholarship, such as congresses, seminars, and courses in Brazil and in the external, for a maximum period of 01 (one) month for each event, with prior authorization and free of charge to the funding agency (tickets, enrollment fees, etc.).

14.3 The removal or participation in events shall be communicated by the Postgraduate Dean or equivalent body of the IES with thirty (30) days in advance, containing the purpose of the removal, the consent of the advisor and the total period of the trip.

14.4 In the event of illness or any other problem occurring with the student during the trip, the grantee must inform CAPES immediately.

15. REPEAL OF THE CONCESSION

15.1 The granting of the PEC-PG grant will be revoked, with the consequent obligatory reimbursement to CAPES of the total amount of resources unduly paid until their departure from the Program, with corrections due, in the following cases:

If there is a lack of relevant information on the employment relationship, when required.

If during a scholarship period, apply for a permanent visa or naturalization in Brazil at the Ministry of Justice, or see any other since it is not the Temporary Visa IV.

In case of dismissal of the HEI, in which case you should immediately return to your country of origin or residence with your own resources.

If perceived support of any nature, by another Brazilian agency, unless otherwise provided by superveniene.

If for every fraud, without which the concession would not have occurred.

15.2 Failure to complete the course will entail the obligation to pay the amounts spent on the scholarship, except if for reasons of force majeure, circumstance unrelated to his will or serious illness duly proven. The evaluation of these situations is conditioned to the approval by the Board of Directors of the CAPES, in a reasoned order. In these cases, the Program is not responsible for the return of the fellow.

15.3 Amounts paid in excess shall be deducted from subsequent monthly fees in the event of an open exchange. Or, in the case of a closed scholarship, procedures for administrative or judicial collection.

15.4 Failure to comply with the normative and contractual provisions obliges the student to fully reimburse CAPES for all expenses incurred in their income, monetarily corrected, according to the correction of the debts to the National Treasury. Non-reimbursement of possible debt CAPES will provide for judicial collection under the terms of the law, as well as the referral of the case to the Internal Audit for deliberation on the establishment of Special Accounts.

15.5 The refund of tuition or other benefits received by the student shall be made within a maximum period of thirty (30) days after receipt. After expiration of this term, the provisions of subitem 15.4 apply.

15.6 The cancellation of the scholarship grant may occur at the request of the student, his counselor, the Course Coordinator, the Post-Graduation of the HEI, or, at the start of the financing agency, due to duplication, unsatisfactory performance or other factors people.
16. SUSPENSION AND CANCELLATION OF THE CONCESSION

16.1 A temporary suspension of the scholarship may be requested during the period of removal, with subsequent renewal, in the following cases:
Medical license exceeding 30 (thirty) days, with return to the country of origin or residence.
Field research trip in the country of origin or residence of the fellow for the period that exceeds the permit (subitem 14.1).
Trips that have not been previously authorized by the funding agency for the total period of leave.
Field research trips to other countries for periods longer than 01 (one) month.
