**Internship Controlling at Bosch Rexroth**

**Department:** Controlling  
**Location:** Brussels (Anderlecht)

**Company Description:** Rexroth is unique. No other brand on the world market can offer its customers drive and control technologies, both specialized and integrated. We serve as the worldwide benchmark when it comes to drives, controls, and motion. Our technological leadership challenges us every day, in more than 80 countries around the world with approximately 28,000 employees.

Bosch Rexroth is part of the Bosch group. The Bosch Group is a leading global supplier of technology and services. It employs approximately 390,000 associates worldwide and generates sales of roughly 73.1 billion euro. Its operations are divided into four business sectors: Mobility Solutions, Industrial Technology, Consumer Goods, and Energy and Building Technology. Bosch improves quality of life worldwide with products and services that are innovative and spark enthusiasm. In short, Bosch creates technology that is ‘Invented for life’.

Bosch Rexroth Belgium is a medium-sized sales company with limited service and production operations. This has the advantage that the Controlling activities are closely linked to the daily business operations (with direct input into the finance, sales and service and production processes).

**Tasks:** You will be working as an assistant in the Controlling department at Bosch Rexroth Belgium. You will get a thorough insight into all functions and processes involved in the Controlling department. You will assist the department within its daily business, mainly by supporting the monthly reporting (to headquarters and to local management) and the planning and year-end-closing process. You will also perform ad-hoc controlling analyses and are responsible to fulfill smaller projects. Further you will assist in performing internal controls on sales and purchasing processes.

**Required Skills:** You are currently a business student with specialization on Finance and Accounting/Controlling. You have previous working/internship experience and are confident in working with MS Office (especially MS Excel and Access), knowledge of SAP R3/BW is appreciated. You have excellent communication skills and are able to work in a team. Furthermore you are well-organized and you can work independently on a tight deadline. Reliability and accuracy are highly valued.  
You speak English fluently;German and/or French and/or Dutch are a plus.

We are looking forward to receiving your application by email in English (please mention the exact title of the position). Do not hesitate to contact us if you have any questions.

**Allowance:** € 780/month  
**Start:** 02/01/2018  
**Duration:** 6 months
