For 150 years, Voith’s technologies have been inspiring customers, business partners and employees around the world. Sustainable management is an important part of our history and is always reflected in our thoughts and actions.

For the Voith Group we are searching for highly motivated candidates (m/f) for our Trainee / Global Graduate Program - Operations & Logistics Voith Paper (m/f)

**Tasks & responsibilities**

- During our 18-months Global Graduate Program you work on three different assignments in the area of Operations that are systematically interlinked to each other, one of them could be abroad in one of our key regions Asia, Europe, North or South America
- During your assignments you get to know Voith Paper in detail and develop an understanding of how this business fits within the entire Voith group
- You are accompanied by a mentor who acts as a partner and tutor for you, takes care of your development and supports you in your professional career within Voith
- All components on-the-job are accompanied by various development activities off-the-job including group training and individually agreed development trainings to help you develop your expertise and skills
- Your first assignment will be in Heidenheim (Germany)

**Your Profile**

- You have an excellent master’s degree in industrial engineering with a specialization in operations & logistics with work experience in Lean Production and Supply Chain Management
- You are ambitious, globally mobile, and bring along entrepreneurial drive and thinking
- Your personal strengths are enthusiasm, openness to new and challenging tasks and experiences, self-motivation and motivation of others, curiosity, team-work, cross-cultural communication and intercultural awareness
- You have already gained professional experience in through internships during your studies and / or an employment of up to 18 months after graduation
- You have already gained international experience of at least 4 months
- You are fluent in German and English, preferably Chinese and/or Spanish in addition

**Why Voith?**

Working at Voith is an opportunity to actively advance sustainable technologies. We offer a position with responsibility at our Voith Paper division, with challenging tasks and freedom for your creativity. With Voith, you can gain valuable practical experience, giving you a great head start on your future career. But we also have a lot more to offer. You too can become a member of the Voith family and help shape the future of our company!

Is this you and do you strive for global challenges, exciting assignments, individual development, international career opportunities and intercultural networking? If so, please send Mr. Berkay Uysal a complete application using our online portal. Starting date is October 2nd, 2017.
